## Dear Parents / Carers,

Another two weeks have passed, and we are starting to see the weather improve and hopefully a little less rain! It is always lovely to welcome visitors into our wonderful school and over the last couple of weeks we have welcomed members of the Trust and headteachers and teachers from the other primary schools from the Together Learning Trust who undertook learning walks and participated in training linked to the science curriculum. More importantly, whenever we have visitors, they always feedback positively about the children, the learning, and the school environment. PTB.

Last term, during World Book Day, the children entered the Sowerby Bridge Cluster poetry competition. I am pleased to inform you all that we had three winners from Brow. In Reception, Darien came 3<sup>rd</sup>, in lower key stage 2, Yasmin in Year 4 received 1<sup>st</sup> place and in Year 6, Iris came 2<sup>nd</sup> in upper key stage 2. PTB!

Last Friday we welcomed over 40 adults to watch the Year 5 class assembly. The class used pupil voice to express their learning across all subjects. This ranged from geography - explaining how mountains are formed – history, sharing facts about the Battle of Britain and the Mayans, and let's not forget the brilliant explanation of the binary system! Feedback from visitors, and from the governors who also attended, was extremely positive and it was great to see so many of them stay behind for a cuppa and talk to the children about their learning. Next up is Year 4! Good luck!

Year 5 also took part in the cluster Kwik Cricket festival this Thursday and took part in some great training and a fun Kwik Cricket game with other schools in the cluster! Great sportsmanship and brilliant cricketing skills shown by all the children. Future England stars? Watch this space!

I am pleased to inform you that East Pennine Orienteering Club is putting on a free family after school event as part of the club's involvement with Active Calderdale. This will take place on Wednesday 15th May, from 3.30 - 4.15. The course closes at 5pm. Toilets & car parking available at Tesco – poster attached to the email. And finally, hopefully you will have seen and heard of the changes we will be making in our wonderful nursey. From September, we are excited to introduce wraparound care for our nursery aged children. If you are interested, or know someone who would be interested, please contact Hebble on the email below for more information. Thank you. Have a lovely weekend and remember, this coming Monday is a Bank Holiday, so school will re-open on Tuesday 7<sup>th</sup> May. Take care. Mr P Kelesidis (Headteacher)
